SATURDAY, AUGUST 8, 1885.

A NATION IN MOURNING.

To-day the Nation pays the list honors to the remains of the great million; chloftaln who was raised up by Providence to tain who was ruled up by Providence to lead its armies to victory and thus preserve "government of the people by the people and for the people to the coming generations, why like the soldier states man Washis row the former of the Republic, whis twice called to the Chief Magistrop, and in the mast exalted military and elvic positions remited to his construction as service of exalted patriotism.

To-day the his ris and minds of the people are with the imp sing ortige that is

ple are with the imp sing ortige that is to escort the silent f am of the lend hero to its resting place and from every hill side and valley there will go out the expressions of gruttide add for a for one who wrought so not? for the curse of

tributes be juid to his mermis but from nations thereof, in the messages of enemy are criffly styling to the Republi-sympaths with our berts more and see that the styling to the Republisympaths with our bereix ment and sor constitutible a snot a rational feature to row for the close of a great and glorlous

From to-day the circular the greatest soldler of modern lang become a mem ory, and high among the word a grand est names America tenderly, los ngiy proudly inscribes that of

CINSSES S GRANT

The Washington correspondent of the Boston Journal writes "There is at please mun g in inters of the Grand Army that the loyal as well as he dialogal South was not selected by the President to be represented at the Unite funeral among the particies

The New York W rll which recently denounced the Mugwamps as the parenlot. Is now trying to callst their support to the Democratic child to whoever to may be, in the fall election. When the Horld resumes its filtration with the despised Mugwinps it is safe to say that it is alarmed at the political outlook.

whether there would have been any criticism if a Republic or C north had bear in charge of the funeral of General Grant In making succin 188 of a Regulal an and had conspicuously invited only the Product in 1888 Republican condidate for toverno of Virginia to act as bland as foreral Hancock has done in the c sc of Cen Eliza

Vice-President Hendricks has been later slewed in Chicig When the reporter touched upon the question of civil service. reform the Vice-President healthired vilttle but the dly sold be dil not think the law had become thinly enough engralted ilahed fift. Of his relitions with the President Mr. Hendricks sild that when beagain on. Mr. Cryclard he had to doubt would be upon terms of the most cordis. Democratic It low-hip Haylag scored victory to the Indiana olls post-office matter over the Morasumus, the Vice Prist dent can afford to be muguent nous

Mr John to Priest, out of the when the report of the Board of Examiners is to the effect that the Nival Adv ory Board horses of Missouri Democracy while in New York, was interviewed by a reporter and when asked about the Magwimps re Dolphin The Advisory Board ger They have either become Democrats out and-out or have gime be k to the Re public in party. With the election of Mr. Clevel and there was no middle ground left night, and the members of the Night They had either to supp at him us a Demo- sizery Board come in ready for agint crat in a Democratic Administration or go hack to the roll similations. If he had no reting this new demonstration of Whitehack to the roll similations and orders been defeated they could have kept up a his Bourd of Framiners late action they are nothing ment a interesta. The Board of Experiment

These who made then selves offensive partisms by fighting for their country was appointed by Mr Whittey to pal against the high tonid Democrats who down John Roseb, and to make political were engaged in the attempt to destroy capital for a Democratic Administration the Government ofew years ago are being. The fight is now between these two boards rapidly hunted down and what rever they with Mr Whitny in the distributed hold a post-office they are being turned out secondling at the field ander cover of the to make rop a for persons whose record's has other-lye to the present Administration FAHS ckpole, of bendusking adds abled viteran is the latest removal apported in this vicinity, but his commuter wh have had lath, post offices have been full ing lately ander the tire of Postmaster-General Vi is gatting gin, as if a rebel battery had opened on the a

Referring to the correspondence between

the President and a person whose in me Is withheld relative to a recent appointment the Yew York Borll says "It was cer talnly i aproper and very reprehensible for my reputable citizens and especially for Supreme Court Judges to recommend in immors) and incupable person to the President for a judicial or hideed for any public position. But It is singular that a merso: should be appointed to a Judgeship only upon the strength of a petition signed by Fom, Dick and Harry, without such an investigat(on as would have rendered the appointment of a candidate morally and professionally unqualified an impossibility People are too much in the habit of putting their names to applications for office when they are ignorant of the character and merits of the applicant, or even believe him to be an objectionable person All this is well known to politicians, and if President Cleveland was not aware of the fact some of his Cabinet could easily have told him how little signatures to a

have told him how little signatures to a petition are really worth. He ought to have discovered that at Albany. The hand discovered that at Albany. The same right which any railway or stage company enjoys of throwing up a contract which proveds unremunerative. Treatdent's "child-like innocence," which has thus far made him a pliant if not willing subject in the hands of the Democratic politicians.

Speaking of the South American mail child politicians.

Speaking of the South American mail attempt to 'get around' the company by seemably companies to dequality. The steamship companies at the fall road attempt to 'get around' the company by seemable to the department's instructions, the Postmaster General has not shown sufficient regard for the dignity of the Government of the United States. The fact in the corriging corporations. The fact in the corriging corporations is the Postmaster General has not shown sufficient regard for the dignity of the Government of the United States. The fact in the corriging corporations is the postmaster of the United States. The fact in the corriging corporations is the postmast of the United States. The fact in the corriging corporations. The Anonwall the trick was in obedience to Mr. Vilation direct orders.

nerologista and a solution of the relief of the color flushed yet more in her alread ames hat florid checks.

Did you succeed in selling that tenere lot to Mr. Woodholfers: she existed "How parfectly splendial! Will already and the color of the color o

mind I ever had in the world, to kiss you The widow was so astendshed at having

The widow was so instint the a character are innon-ylable of such a character from the bachelor, that she admost forgot to biddle, but fortunately ranquibered in time what was expected of her few "Really," she simpored, "you are positively dreadful! I wouldn't have believed to fyou"

tively dreadful! I wouldn't have believed it of you."

She paused, to give him an opportunity of saying semetting more, but Mr. Sharp erson had already exceeded the ordinary limits of his habitual refleener, and by a not unnatural rebound, was how more silent than ever before. "I shall soon begin to look out for fortune hunters," remarked Mrs. Widgin, archly. "I hope you'll protect me from them when they come."

Mr. Sharperson's looks expressed such entire willingness to undertake the defence of his fair effort, that he evidently did not feel it necessary to put it into words.

"I don't know," pursued the widow, gazing rather abstractedly into the fire, "but I shall have to look about for some-body to take care of ms. What do you say, Mr. Sharperson?"

"Certainly, you. You know my bust-

"Certainly, you You know my business affides perfectly, and can advise me better than any one I can think of,... Now, to be perfectly frunk, what do you say to my being mar-led again?"

my being mar-led again."
"Notling"
"Oh, you think I ought not to talk soplainig about it. Well, very likely not,
but you'll at least allow that there might
be of reumstances which would make it best for me to marry uzuln

"Yes."
"Pre been a widow five years, and if the right man turned up.
She paused with the secret desire to shake the gentleman opposite, to see if by that operation his tacitum tongue might not be loosened.
"If!" echoed be, very significantly, a

she paused.

"Yh), of course," she retorted, "you will allow that there must be a right man somewhere, if one could find him."

"Yes."

"Yea."

"And, perhaps," she continued, a mis chieyous smin feveraling to the lawyer's eyes a new dimple, hitherto wholly unsus-poeted, in her check, "and perhaps you would even let me come to you for legal advice in my choice, if I paid well?"

"Well, then, advise!" cried the widow, descenately.

She had been perfectly sure, for two or three months, that Mr. Shirperkon was longing to propose to her, could he but get the words over bis tongue, and she had said tohersoil this this afternoon he should do it if feminine wit could device a way. Anything short of deliberately proposing horself, she was prepared to do, and she began now to fear lest she should be forced to even that extreme measure.

Now, when everything had been so admirably worked up to a speaking point for him, instead of uttering the decisive word, the lawyer only smilled and was allegt. To tell the truth, he was as enger to get the important question asked, as was the widow, could be, but overcome his, natural laconio habit, and the bashfulness which just now exaggerated it.

Mrs. Wilgin's month set itself a tribe more firmly than before.
